JACOBUS NAGEL

Dealership service adviser

Key career achievements:

- 2014: Loaded twice the number of ads compared to the permanent position candidate. Presented an innovative Facebook marketing strategy to the Managing Director. Learned graphic design and Adobe Photoshop skills while working with the Regional Marketing Manager
- 2015: Outperformed experienced agents within the first three months. Managed Mitsubishi South Africa's internet leads. Worked with large datasets, creating detailed reports and extracting useful information. Acquired first car and driver's license.
- 2016: Participated in management meetings, dealer visits, regional, and national conferences. Self-taught animation creation and advanced Excel skills. Developed and implemented insightful reports on stock, marketing, and sales activities. Expanded knowledge through Facebook's Blueprint Academy, enhancing targeted ads and social media advertising.
- 2017: Outperformed experienced sales executives and competed with top sales executives. Built a strong customer base and expanded sales outside of Gauteng.
- 2022: Contributed to key changes in the workshop flow, resulting in consistent growth in revenue and Customer Satisfaction Index (CSI) scores.
